We strive to improve on our own experiences to provide you, our guest, the most enjoyable experience. Karate is by its nature a solitary journey. Tournaments give you, our guest, a chance to meet fellow travellers and to measure your abilities, show your skills and compete in a safe environment.

YOU are our invited Guests, and expect you to behave accordingly and graciously to make everyone's attendance at our tournament a pleasant and memorable one!

Specially discounted rooms for out of town guests are available at the DoubleTree by Hilton Hotel.
